*Let's turn
the clock
back to
when I just
returned
to the Holy
Temple after
drinking all
night.*

Yaaaaaaah!

EH!

*Still, I must say I'm
in awe of my own memory.
I actually remembered the
silhouette of the man
making out with the
princess in the secret
passage under the Royal
Palace well enough to
identify him as Eljah.
What a coincidence that
he's the Hell Knight!*

*My plan
should work
because Eljah is
the princess's
lover!*

*Who'd have thought
that even Death Lords get
drunk? I had to carry him all
the way, so I didn't get back till
morning. I'm so-so tired.*

*I'm gonna sleep to my
heart's content. Sleep till I
wake up naturally. And I have
to apply a facial mask.*

Oh
bad...

Cruel Joy Faction
Moon Knight

Famous for his pride and
condescending manner.

Back when I first knew him, I disliked him quite a bit. After all, nobody likes a person who looks down on them.

Everyone on the Continent knows that the Moon Knight is autistic.

About I mean, he's famous for being standoffish, with a proud character. He doesn't get along with others, and he always talks to people with his nose in the air, as if he can't be bothered to look them properly in the eye.

Until one day,

Want a blueberry tart? Frost made them. Feel free to have one. I gave one to Judge as well.

Yes, please.

CAPTAIN SUN KNIGHT?

How did you know,

A token from your girlfriend?

183cm →
= 6 ft.

I've truly wanted to see you, Frost. This is a very special gift from my girlfriend.

Now that I
And seen his
true self, Moon
complained
while eating his
blueberry tart.
Because he must
always hold his
chest high, the
muscles in his
neck are always
tired. And now,
he can't even
nod his head
at all.

That means he
can't find anything
on the floor, can't
take advantage of
his height to peek
down the cleavage
of priestesses.
Ahem! But, saddest
of all, he can't even
bend his head to kiss
his girlfriend, so he
can't date anyone
shorter than him.

From then
on, I've had
another friend
in the Cruel
ley Faction.

So
then, if
a stranger
said he
could help
you two
stay
together,
would you
accept his
offer?

**SHE WOULD
ONLY GO
ALONG WITH
IT IF SHE
WAS UNDER
INTENSE
PRESSURE!**

**DEFINITELY
NOT! OUR LOVE
IS STRONGER
THAN STEEL!**

Agitated

May I ask,
Captain Moon
Knight, if your
lover's parents
tried to arrange a
marriage for her,
would she go
along with
them?

That's
right. The
God of Light is
benevolent to all.
All love among
people is a blessing
from the
God.

**God
girlfriend
always
comes
first.
Love is
supreme!**

*How
mighty is
the power
of love.*

*That
depends
on why
the
person
offered.*

*Most
importantly,
he can't hurt
the love of
my life!*

The background of the page features a large, detailed illustration. A tall, slender tree with long, thin branches dominates the right side. A character with long, light-colored hair and a crown is partially visible behind the tree, looking down. The character's face is partially obscured by the tree's branches. The overall style is that of a manga or anime illustration.

The Coronation and the Proposal Plan

Brother
Stones, would
you secure us
for a while?

That princess
doesn't mess
around. Elijah
went back drunk
yesterday, and
she's here in
person the
next day.

I agreed to
this marriage.
As a princess,
sacrificing myself
for the royal
family is
naturally
my duty!

You think my
royal brother is
forcing me to
marry the Son
of the God of
War against
my will, don't
you?

**Well,
You.
Are.
Wrong!**

Eljah told me
your plan. I'm
against it!

Sceptical!

Smile

Smile

Your Highness,
there seems to be
a small misunder-
standing. I have
sworn an oath to
the God of Light,
that I will protect
every single
of one of my
Holy Knight
brothers.

So, no
matter what,
I will never raise
a hand against
the Holy Knight.

If you
get married
and move to
another country,
who will be left
to protect
him?

!!!

You must know
that the Pope and
I don't get along.
He certainly won't
spare Elijah for my
sake, and I can't
guard Elijah around
the clock.

The problem is,
His Grace the
Pope doesn't
exactly treat Holy
Knights as his
protectors. He won't
be merciful to
anyone who may
be a threat to
the Church.

HOW -

HOW DARE
YOU USE ELIJAH
TO THREATEN ME?
ARE YOU REALLY
THE SPOKESPERSON
OF THE GOD OF
LIGHT? SHAMELESS!
DESPIRABLE! BIG
BROTHER JON WAS
RIGHT!

Right at her weak
point? The princess
may be willing to sac-
rifice herself, but
she'll never be able to
sacrifice her lover.
She's like Madeline.
Is also supreme for a
princess in love!

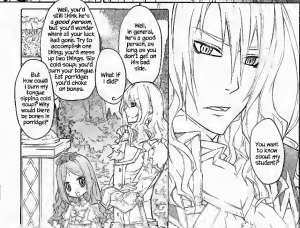

So, uh, what did my teacher say?

Oh! She means my teacher! My teacher is a great friend of the royal family, so the princess calls him "big brother!"

He's... a... a... a...

I would be just a person for her to call him "uncle." But Teacher would never accept a title implying so much honor.

Well, you're still think he's a good person, but you'd wonder where all your luck had gone. Try to accomplish one thing; you'd mess up two things. Sip cold soup; you'd burn your tongue. Eat porridge; you'd choke on bones.

Well, in general, he's a good person, as long as you don't get on his bad side.

What if I did?

But how could I burn my tongue sipping cold soup? Why would there be bones in porridge?

You want to know about my student?

YOU ARE THE FARTHEST THING FROM A PERFECT ONE ALREADY YOU ARE A DESERVABLE PUNISH FROM YOUR TEACHERS THINK SO.

Teacher! Your punishments are silly! I certainly won't strike at someone with a method as low as burning their tongue with cold water.

Exactly. That's why my student is, generally speaking, a good person. As long as you don't get on his bad side.

DON'T TAKE ME FOR A FOOL. I KNOW YOU DO NOT DOING THIS FOR ELLIAN.

But even so, do you honestly believe that I would want Ell to lose the woman he loves?

Cool

Your Highness, I admit I have an ulterior motive.

After all,
I'm the leader
of the Holy
Temple, and
the spokes-
person of
the God of
Light.

Honestly, rather than
letting you marry a
mere Royal Knight, it
might even be easier
for me to fight the
son of the God of
War for the right
to marry you.

Elia's
identity as one
of the Twelve
Holy Knights
must remain a
secret. So in
appearance, he
is nothing more
than a regular
Royal Knight.

And you
must know
how improbable
it would be for
a respectable
princess to
marry a regular
Royal Knight.

If I won,
I would become
an aristocrat.

Red also, I might
even become King
because the Crown
Prince is still childish
and without an heir.
Why not?

Future selves

It's hard to believe that a fairly good person like me would be stupid enough to give such a great opportunity to Elish, and earn a mighty headache coming up with this plan!

Stop

Your Highness's engagement to the Son of the God of War is part of the crown prince's plan.

It's not wrong of the crown prince, as the next king, to salvage the reputation of the royal family as the Temple of War is gaining influence. That will hardly land you on my bad side.

Elish wants to reign as the Hell Knight, but he isn't actually any threat to the Church.

So why would you help us? We're on your bad side, aren't we?

No, you're not!

Let
me give
you an
example.

Older

Please
tell me, as
I'll never
do them

Right. So, what
sort of things
would love me
your favor?

You took
my teacher's
advice of never
getting on my
bad side, but
you forgot to
ask what would
get you off
my bad
side.

...or my
name's not
Orisia Sun!

Recently
some bastard
tried to kill me.
Killed Gendai
and is going
to offer my
brother a
girl.

It's an if
I'm nobbling
him, insulting
beyond belief.
He will certainly
pay for this.

*The
Crown Prince
really is
admirable.*

*Rumor has
it that the Master
of Ceremonies
objected. But the
new King merely
said, "My father His
Majesty has been
refurbishing the
Palace over the last
few years. It is
grand enough."*

*He has
waited for this
coronation
for years, but
he doesn't
want it to be
extravagant
at all.*

No wonder
the princess
is willing to
marry a man
she doesn't
love.

With a
brother this
selfless, how
could she
refuse for the
sake of true
love?

THAT SON
OF THE GOD OF
WAR IS TOTALLY
GORGEOUS!

I thought he'd
be a misanthropic
goon
with messy hair and
horrible personal
hygiene and fashion
sense.

Perhaps the crown
prince only wants them
to marry because he
honestly thinks it's
a good match.

Not to
men-
tion,

The ceremony
seems a bit
out of place,
but it's
elegant and
simple.

*After
immediately
conquering
the entire world,
he decided to
retire.*

*Archer
the
King
of
Forgotten
Echo.*

*Archer
is the King
of Forgotten
Echo.*

*In the
name of the
God of
Light, I
name*

*Let's hope
I'm not a
tiger that gets
mistaken
when.*

Heard?

*She has
many
sisters.*

*But I'll miss
the days of dealing
with a king whose
personality matched
his undying piggy
behavior. Now I'll be
dealing with someone
who'd take being a
lazy hog as his cue
take a tiger by
surprise and
smother it when.*

*It's a relief
to everyone that
the Fat Pig of a
King has finally
retired.*

*But the King
doesn't seem
to mind at all.
He actually
looks pretty
pleased.*

*Could he be
doing this on
purpose?*

*Even the
birthday pres-
ents for the
Pig King were
greater than
these.*

*This coronation
must be too rushed;
it took place less than
three months after
the official inaugura-
tion. Though every
ambassador's gift is
valuable, none of them
qualifies as proper
treasure.*

*He can simply yank out
the gems, melt the golden
swords and the mirrors
into ingots, and sell them
all. No one would ever
know.*

*To replenish the
national treasury after
the Fat Pig of a King
sacked it dry, he arranged
a coronation so quickly that
neighboring countries had little
time to prepare unique treat-
ments as gifts. They hastily
fashioned gifts of gold,
decorated with
gems.*

*If the Pope knew
about this, he'd
recognize you as a
true kindred
spirit!*

*Dear Crown
Prince... Not if it's
"Fake Pig of a
King" now. To come
up with such a shor-
tcut plan to build a
fortune! I must
scold your
ignorance!*

Display!!

Proud

Proud

This shield was wrought by sorcerers, jewellers, and blacksmiths from our armory. Precious gems form the emblem of Forgotten Echo in the middle.

Its edge is a border of enchanted gems designed to withstand magical attacks. Apart from that, it provides superb defence against physical attacks. Not even a giant's axe can smash it!

Keep it safe.

How!

Wow! That is clearly the most outstanding gift today. The smallest gem on that shield alone is worth twenty years of my salary!

The Temple of War has paid the respect to the King. I wonder what the Church of Light would present to His Majesty.

Provoke

All I could offer is this Holy Light rosary, handmade by Sun and blessed by the God of Light.

I live a humble life and possess nothing of value.

HHA
HHA!

HAHAHA!
THE CHURCH
OF LIGHT IS
SO STINGY!

cute

Under the
protection of
the God of Light,
may my King
be in constant
health and
well-being.

But should His
Majesty suffer any
injury, he could crush
a rose bead and re-
ceive the blessing of
the God of Light.
This would cast an
Advanced Healing Spell.

And the largest
bead in the middle
will cast an *Ultimate
Healing Spell*.

!!!

Wearing
this rosary is
like having a priest by
your side, who can cast
11 Advanced Healing

There are
11 small beads
and 1 large
bead in the
rosary

as Spells and
one Ultimate Healing
Spell - a priest whose
loyalty could never be
subverted, a priest
who wouldn't fail
or betray.

Even though
the gift is from me,
the King still abuses
it. After all, the great
act fear of every ruler
is assassination.

Satisfied

Captain Sam
Knight!

It's not easy
to transform in
the Pope's gift-
making grant into
funds for my
retirement, you
know?

I am filled to
the brim with Holy
Light. Yet it has taken
me a whole month
to make this.

Also, this
Rosary couldn't
be made by any
regular priest!

Each small
bead is made with
over thirty Advanced
Healing Spells!

You large
beads require
many Ultimate
Healing Spells,
and I can only
cast ten per day.
I only managed
to produce that
one bead!

*You sound like
how dare you not
cut up!*

Heh

*If few necromancers are
raising undead in
the city with their
undead symphonies.*

Yes?

*Those
abominations
have no hope
of ever being
blessed. My
Sun Squad will
bury every single one of
them.*

*Rest assured,
Your Excellency.
Today is the
Coronation of
the King - a day
blessed by the
God of Light.*

*This day is
too important
for undead
creatures to
roam the city.
Wouldn't it be
better for you to
go and deal with
them in person,
Sun Knight?*

*How dare
these necro-
mancers and
their undead
ruin the blessed
city of Budding
Leaf? Unaccept-
able!*

*Listen
well. Convey
my order to the
Sun Squad. Have
them deal with
the abominable
undead and
defend
Budding Leaf
immediately.*

*I am certain
that Pink is the
only necromancer who
would dare stir up a
ruckus in Budding Leaf,
the home base of the
Church of Light. This
must be the handiwork of
the Temple of War. He's
going to propose
to the princess using
his devotion!*

*Also, the Temple of War
has never been particularly
good with undead creatures.
They dare not find necromancers
that are too powerful!*

*Y-
es,
sir.*

The Temple
of War has
made a bad
move and
displeased
the King.

Stony
expression

Certainly, these
events don't sit
well with the King.
Forgotten Echo
has worshipped
the God of Light for
as long as people
can remember, so
the people have a
particularly strong
aversion to undead
creatures and
dark magic.

I offer these
 betrothal gifts.

Word of the
princess's
extraordinary
beauty and
intellect has
spread far and
wide. I saw her
with my own
eyes today.

I realized
the rumors do
her no justice.
I'm more deter-
mined than
ever to gain
the hand of
such an out-
standing
woman.

Stranger to
the point

YOUR
MAJESTY,
THE TEMPLE
OF WAR HAS
COME FOR
MORE THAN
CONGRATULAT-
ING YOU ON
YOUR COUPO-
N. WE HAVE
A REQUEST
TO MAKE.

Oh?
Speak.

*They don't
know me, or want
or judge!*

*Is this what
everyone
thinks of me?*

*This is
incredible. If
that proposal to
anyone, I thought
it would be the
start of the
end of light!*

*...would be
Frank*

*I thought
the first
person
you would
propose
to...*

*IF YOU
HARENT, THEN
YOU'RE OBVIOUSLY
JUST TRYING TO
BREAK HAND!*

*if you are
proposing to
the primitive,
Sun Knight,
surely you
have proposed
better that
girl?*

*YOU
SON
OF A
BITCH!*

Such outstanding young men.
They both were truly devoted to you, Princess.
What say you?

I like a humble life and genuine nothing of mine.

I could only offer another blessing from the God of Light and my genuine adoration for the princess.

I taught the Pope how to make bread and decorated lot of them in a game.

I am the most truly devoted to the princess.

T-The princess and I are in love with each other!

Leave us alone!

YOUR MAJESTY.

Remember that day the princesses came quietly looking for Sun? Was it because Sun found out she was cheating on him?

So my Sun Squad were 't the only gossips. Everyone at the Holy Temple heard!

Elijah has more guts than I thought. But who'd have expected Sun to have his eye on the princess?

The Sun Squad did tell me Sun drags Elijah under the table the other day for no apparent reason. So it's because they are rivals.

Hahaha! That was unexpected. But with this friendly relationship, Elijah's chances are getting better.

The king is brilliant. He knows this is my doing, but I wish he wasn't so obvious about it.

Glave

My dear sister, do you really love Elijah?

...that we let
our weapons
distinguish between
right and wrong, instead
of wasting time on
petty arguments?
Such is the way
of Knights.

May I
propose...

FINE WITH
ME. THAT'S
HOW WARRIORS
SETTLE THINGS,
TOO!

First obstacle:
Cleared ☆

SO BE
IT!

D-d-don't worry, Sun. I'll deflect the killing blow for you even if it's against the rules. Although I may have to deflect many, many blows, I won't give up saving you!

If that costume isn't so nice, I'll just say that you'll be safe.

Sun, can't you guys have a just a bit more faith in me?

I get along with Elfen. I'll tell him to go easy on you.

Don't despair, Sun. There are plenty of pain in the sea. It will be okay if you can't marry the princess.

How come the boy stories from the Great Icey Faction don't feel icy at all?

Two days after the Coronation:

Chatter

Dear brethren,
much to my regret,
I have been too
preoccupied with
private matters to
attend meetings.

The world
only looks
good on
paper. Please
forgive me.

But the king
must move
forward with me.
He actually
asked me to sign
the Death
Affidavit.

As expected, the
princess has done
everything I asked.
The duel is scheduled to
take place in two weeks.
It will be a three-sided
match, with the last man
standing declared
winner.

Twenty four's
not going to
win the form of
war is not
at all?

If you don't
mind, Captain
Judgment Knight,
can you spare
some time to
practice sword-
mastery with
me?

Sincerely

It's okay!
We understand
you are busy,
Sun!

It really
doesn't
matter. Your
presence makes
absolutely no
difference!

Exactly!
Judge isn't the
type to
bully the
defense-
less

**DON'T
WORRY!
JUDGE WON'T
KILL SOMEONE
AS WEAK AS
A KITTEN!**

Damn!
Sun is
feeling
awkward
because
he can't
marry the
princess!

That will not
be a problem - as
long as you don't
mind getting hurt,
Captain Sun
Knight.

Where are
we going?

AND I HAVE
BEATEN BOUTE
A FEW WISDAD
CREATIVES THAT
ISN'T TOO
SHAMEY
RIGHT?

SERIOUSLY
I CAN'T BE THAT
BAD! I'VE MANAGED
TO STAY ALIVE
FOR ALL THESE
YEARS

JUDGMENT
KNIGHT?

What
on earth
are you
up to?

I want to help
him marry the
princess, so I want
you to coach him
in swordsmanship
and help him win
the duel.
